# Classic wow warrior leveling rotation build guide classic

Strike of the Hydra - 25.6 DPS - Lvl 26 - 20% Drop off Aku/Mai in Blackfathom Deep. Tips / Tricks about talents: To save money, don't train higher ranks of Overpower or Cleave until 60. Resurgence Rod - 45.8 DPS - Lvl 45 - Dungeon Quest Reward "Corruption of Earth and Seed" Maraudon. Darkwood Staff - 9.1 DPS - Lvl 8 - Quest Reward "The Family Crypt" Tirisfal Glades. Proceed back through Fury finishing with 5/5 Enrage. To help ease the burden of levelling in WoW Classic, we've put together a comprehensive guide on the best Talents, Weapons, and Professions, as well as other information that you'll need to know as a Warrior. Headbasher - 17.6 DPS - Lvl 25 - Dungeon Quest Reward "The Fury Runs Deep" Stockades. Don't train Rend past rank 3 or so. You don't want to regret your choice later, so we've broken down the races in our tier list for WoW Classic. World of Warcraft: Classic has a number of professions to choose from, from crafting armour with Blacksmithing and Leatherworking to farming materials with Herbalism and Mining. Grimlok's Charge - 40.9 DPS - Lvl 42 - 20% Drop off Grim/Lok Uldaman. Train First Aid ASAP Use whatever weapon has the highest DPS regardless of type (polearm, staff, etc.) Save every single copper - you will need money for weapon upgrades. Ancient War Sword - 21.7 DPS - Lvl 26 - Quest Reward from "Defeat Nek'rosh" Wetlands. It is still viable from Level 10, even if it isn't as strong as Fury early. You need to start integrating your /sit into your Hamstring Method. Ice Barbed Spear - 53.9 DPS - Lvl 51 - Quest Reward "Hero of the Frostwolf" Alterac Valley. Because, when you dual wield, your hit chance is greatly reduced, and your offhand only does 50% of its normal damage. Stance Dances Simple 1 ability dances, will put you in correct stance and cast ability as well as show cooldowns &/or tooltips# showtooltip Overpower/cast [stance:1] Overpower; Battle Stance# show Mocking Blow/cast [stance:1] Mocking Blow; Battle Stance# show Taunt/cast [stance:2] Taunt; Defensive Stance# showtooltip Whirlwind/cast [stance:3] Whirlwind; Berserker Stance Toggles stances between def and battle stance and if control clicked, it will go to zerker stanc /cast [modifier:ctrl,nostance:3] Berserker Stance; [stance:1] Defensive Stance; Battle Stance Charge & Intercept Puts you into the correct stance, another use and you charge/intercept. Corpsemaker - 28.9 DPS - Lvl 29 - 40% Drop off Overlord Ramtusk Razorfen Kraul. This will proc Blood Craze and eventually Enrage at lvl 25. Despite having low mobility, low sustain, and the highest gear dependence in the game, Warriors are by far the most played class in Vanilla. At 30 do your Berserker Stance quest and use the Hamstring Method to easily kite around and kill Big Will. Humans have two serious advantages: Mace Specialisation and Sword Specialisation, both of which work heavily in your favour. . .but, in my experiences, I found dual wielding to be fine, but only if you're Fury. Leveling 10-20 It is most efficient at this stage to kill Single Targets as opposed to killing multiple at the same time. Skip Mocking Blow and as much as possible in the Prot tree. This guide will simply be our attempt to put all the pieces together. Warrior's strengths: Best DPS class in vanilla (fury for PvE and arms for PvP)Best tanking classNo mana, so you can go from mob to mob fast with good gearHigh Skill CapEpicly ChallengingCan Tank as any spec:Flexible Weapon ProgressionCan use all Weapons except wands Warrior's weaknesses Slow Leveling Low Mobility High Gear Dependence Dependence on Consumables Costly Repairs Vulnerable in open world PvP Difficulty Farming Gold Overpopulated class. Diabolic Skiver - 42.8 DPS - Lvl 44 - 25% Drop off Shadowpriest Sezz/ziz Zul Farrak. You will have insights such as EPH (XP / Hour), EPM (XP / Minute), and Average XP per kill. Do the Defensive stance class quest. Tok'kar's Murloc Chopper - 32.5 DPS - Lvl 40 - Quest Reward "Threat from the Sea" Swamp of Sorrows. The sum of these three pieces equates to your leveling speed. In the Fury tree, focus on maxing Cruelty above all else. If you're still skeptical, I'd suggest trying it out once you get Thrash Blade, or if you happen to have a Flurry Axe. Wind Rider Staff - 13.0 DPS - Lvl 14 - Quest Reward "Cry of the Thunderhawk" Camp Taurajo Barrens. Orcs are much stronger in PvE than in PvP, thanks to their racials Blood Fury and Axe Specialisation. Here are the talents you should prioritise when levelling up: Cruelty 5/5 Booming Voice 5/5 Blood Craze 3/3 Piercing Howl 1/1 Improved Battle Shout 1/5 Enrage 5/5 Death Wish 1/1 Improved Battle Shout 5/5 Flurry 5/5 Bloodthirst 1/1 Note: Any talents that aren't listed aren't essential to this build, so choose whatever talents you want if you don't have enough points to get into the next tier.
